異次元が出現した!!　これですべての過去は意味を失ってしまった。―グリフィスの手にもどったベヘリットは彼の心の叫びに共振、血の涙を流し、異次元に仲間ともども引きずり込んだ。異形な4人の神「ゴッド・ハンド」が降臨。彼らはグリフィスが彼らの仲間になると預言、鷹の団はいけにえになると断言した。グリフィスに「夢」を捨てられるのか、と詰め寄り、鷹の団全員をいけにえにすることで野望を果たせ、と言うゴッド・ハンド。そして、グリフィスは決断、魔物たちの狂宴が始まった!!

Episode 083. GOD OF THE ABYSS (2)

was left out of volume 13 and is not considered part of the story.

The author's reasons are published below.

NOTE: might contain spoilers.

Q: Can we have some more details on why Episode 83 was left out of the collected volume? Do you consider the events in the episode to be canon? Can we expect to see or hear from the Idea of Evil again before the end of the series?

A: It’s because I wanted Berserk's world to be revealed just that far, not any more than that. The appearance of god in the manga conclusively determines its range. I thought that might limit the freedom of the story development.

I myself don’t know if the Idea of Evil will show up again in the manga or not.
